Moving you forward

Research and customer feedback show that freedom to move while working leads to better health, greater productivity and a more positive attitude. At Ergotron, our mission has always focused on transforming static workplaces into dynamic environments that allow our customers to thrive. This means moving people forward by improving how they work, learn, play and care for others.

Whether in office, home, healthcare or educational settings, Ergotron is respected for industry-leading, professional-grade products. Our ergonomic movement solutions are designed for the rigors of a commercial audience, engineered for durability and tested to performance excellence. We are proud to hold more than 200 patents for unique product innovations and to have received countless accolades and awards.

Your input remains a crucial component in our product development process—and your loyalty tells us we're continuing to move you in the right direction.

Thank you for your continued trust in the Ergotron brand.

WORKFIT DESK CONVERTERS

Every body and every workspace is different. With the widest selection of styles, sizes and accessories, Ergotron's WorkFit family of sit-stand solutions helps employees find their best fit. The ability to easily go from sitting to standing and back again allows employees to choose how they work to reclaim the energy they need to feel and perform at their best.

WORKFIT™

Tabletop Desk Converters

The new standard: WorkFit-TX

Thoughtfully designed to offer advanced ergonomics out-of-the box, the WorkFit-TX fits more users with an X-shaped lift that folds close to your desk to keep the right monitor-to-keyboard-tray spacing. With a height-adjustable, back-tilt keyboard that sits below the worksurface, this ultra-low sit-stand workstation delivers leading ergonomics when sitting and standing.

Lift	20" (50.8 cm)
Weight Capacity	40 lbs (18.2 kg)
Worksurface Dimensions	32" x 27" (81 x 68.5 cm)
Keyboard Tray Dimensions	28" x 8" (71 x 20 cm)

Part Number / Color / Availability
33-467-921 / Black / Americas, EMEA, AU, NZ

Right-angle power play: WorkFit Corner

Don't cut corners. Use them. The WorkFit Corner Standing Desk Converter turns unused space into a productive right-angle power play. It offers more worksurface and the largest keyboard tray of any WorkFit. The notched worksurface hugs 90-degree cube or office walls to slide into this previous dust collector space.

Lift	15" (38 cm)
Weight Capacity	35 lbs (15.9 kg)
Worksurface Dimensions	36" x 23.6" (91.4 x 60 cm)
Keyboard Tray Dimensions	36" x 13.2" (91 x 33 cm)

Part Number / Color / Availability
33-468-921 / Black / Worldwide (except CN, HK, TW, JP, Southeast Asia)

Tabletop Desk Converters

Large worksurface: WorkFit-TL

WorkFit-TL transforms everyday offices into dynamic, active workspaces. This sit-stand desktop converter offers easy, crank-free height adjustment and holds up to 40 lbs (18.1 kg) of office essentials on a large worksurface. It moves straight up and down for more stability and to keep your space, your space.

Lift	15" (38 cm)
Weight Capacity	10–40 lbs (4.5–18.1 kg)
Worksurface Dimensions	37.5" x 23" (95 x 58.4 cm)
Keyboard Tray Dimensions	27.5" x 11" (69 x 28 cm)

Part Number / Color / Availability
33-406-085 / Black / Worldwide
33-418-085 / Black (TAA Compliant) / USA
33-406-062 / White / Worldwide

TRACE™

SHAPE A NEW WORK EXPERIENCE

The innovative TRACE Monitor Mount adapts to the ergonomic needs of each employee to create agile workspaces at home or in the office that effortlessly shift between users and tasks to encourage healthy movement, productivity and a collaborative spirit.

Embrace the Technology of Movement™
to improve workplace comfort, collaboration and productivity.

A productive and comfortable workday depends on a personalized set-up that offers employees the freedom to choose how they work best. TRACE embraces movement by tracing the path from individual to collaborative work, always returning to the natural home position.

Intuitive adjustment using patented Constant Force™ Technology positions screens at an ergonomic height for comfortable working in dedicated or shared workspaces. Integrated cable management reduces clutter with a compact base that maintains valuable workspace. The flexible design accommodates future technology changes with a 15-year warranty to get more from your investment.

Embrace your next move:
TRACE Single Monitor Mount
with Panel Clamp

Weight Capacity	≤ 5 lbs (2.3 kg)

Part Number / Color / Availability
45-460-026 / Silver / Worldwide

WALL MOUNT MONITOR ARMS

Premium, Innovative Design

Adaptable as you: HX Wall Arm

With the HX Wall Monitor Arm, you can reposition large monitors weighing up to 42 pounds while still enhancing your workspace with a sleek design. Add a dual monitor and handle kit or triple monitor bow kit to up your screen count and your productivity. Your monitor stays within your workspace with a rotation stop that limits the range to 180°.

Typical LCD Size	≤ 49"
Lift	11.5" (29.2 cm)
Weight Capacity	20–42 lbs (9–19 kg)

Part Number / Color / Availability
45-478-026 / Polished Aluminum / Americas, APAC
45-478-216 / White / Worldwide

HX Wall Dual Arm

Typical LCD Size	≤ 32"
Lift	11.5" (29.2 cm)
Weight Capacity	5–17.5 lbs (2.3–8 kg) per monitor

Part Number / Color / Availability
45-479-026 / Polished Aluminum / Americas, APAC
45-479-216 / White / Worldwide

HX Heavy-Duty Tilt Pivot

Not just for gamers, this tilt pivot upgrades an HX arm, providing stability and flexibility for professionals who prefer large or curved displays at home or in the office.

Typical LCD Size	32–49"
Tilt	+15° / -5°
Weight Capacity	28–42 lbs (12.7–19.1 kg)

Part Number / Color / Availability
98-540-216 / White / Worldwide

HX Triple Monitor Kit

Upgrade an HX arm to hold three monitors.

Typical LCD Size	≤ 24"
Lift	11.5" (29.2 cm)
Weight Capacity	2–10.2 lbs (1–4.6 kg) per monitor

Part Number / Color / Availability
98-009-026 / Polished Aluminum / Americas, APAC
98-009-216 / White / Worldwide

Style Meets Functionality

Unparalleled Range Of Motion

Easy adjustment: LX Wall Arm

Place your screen where you need it for each project, and then reclaim a space full of opportunities by folding the arm and pushing it aside during a much-needed screen break.

Typical LCD Size	≤ 34"
Lift	13" (33 cm)
Weight Capacity	7–25 lbs (3.2–11.3 kg)

Part Number / Color / Availability
45-243-026 / Polished Aluminum / Worldwide
45-243-224 / Matte Black / Americas, APAC

Work sitting or standing: LX Sit-Stand Wall Arm

This versatile arm can be used in a variety of applications: attach a smaller monitor for use within a sit-stand workstation or add a large display up to 25 lbs (11.3 kg) to position digital signage.

Typical LCD Size	Sit-stand ≤ 42"
Typical LCD Size	Sit-stand HD ≤ 46"
Lift	20" (50.8 cm)
Weight Capacity	Sit-stand 7–25 lbs (3.2–11.3 kg)
Weight Capacity	Sit-stand HD 14–30 lbs (6.3–13.6 kg)

Part Number / Color / Availability
Sit-stand 45-353-026 / Polished Aluminum / Worldwide
Sit-stand HD 45-383-026 / Polished Aluminum / Worldwide

Stable and flexible: MXV Wall Arm

The MXV Wall Monitor Arm incorporates a modern V-shaped design to create a stable yet flexible platform for screens up to 20 lbs (9.1 kg). With a slim profile, MXV offers 13" (33 cm) of height adjustment, up to 24.6" (63 cm) monitor extension, integrated tilt and more.

Typical LCD Size	≤ 34"
Lift	13" (33 cm)
Weight Capacity	7–20 lbs (3.2–9.1 kg)

Part Number / Color / Availability
45-505-026 / Polished Aluminum / Americas, APAC
45-505-216 / White / Americas, APAC
45-505-224 / Matte Black / Americas, APAC

Keyboard Arm

Build a complete ergonomic space: LX Wall Keyboard Arm

Type freely on the no-shake, stable platform that easily adjusts to the most comfortable working height. The back-tilt keyboard tray keeps wrists neutral for comfortable typing, while helping prevent common office injuries.

Keyboard Tray Size	17.6" x 9.5" (44.6 x 24 cm)
Lift	13" (33 cm)
Lift	Sit-stand 20" (51 cm)
Weight Capacity	≤ 5 lbs (2.3 kg)

Part Number / Color / Availability
45-246-026 / Polished Aluminum / Worldwide
Sit-stand 45-354-026 / Polished Aluminum / Worldwide

Heavy Monitor Mount

For large monitors: MX Wall Arm

The sleek MX LCD Arm accommodates larger monitors and all-in-one computers weighing up to 30 lbs (13.6 kgs).

Typical LCD Size	≤ 42"
Lift	5" (13 cm)
Weight Capacity	14–30 lbs (6.4–13.6 kg)

Part Number / Color / Availability
45-228-026 / Polished Aluminum / Worldwide

Caregivers have many distractions that take their focus away from patients—technology should not be one of them. Ergotron products remove constraints from how caregivers work with technology to help reduce burnout and to improve the patient experience. Together, we are moving care forward.

Carts

CONFIGURATIONS TO FIT YOUR WORKFLOWS

Move your care where it's needed most with a mobile workstation.

Wall Mounts

GET MORE FROM YOUR SPACE

Free up room in your facility for personal interaction with patients and families.

Charging Cabinets

POWER UP YOUR TECHNOLOGY

Keep your smart devices secured, protected and charged for easy documentation.

and more!

CAREFITTM SLIM

Ultra-lean Documentation Cart

Short, tall or average clinicians can now work comfortably and effectively—no matter what their stature. Help all of your caregivers thrive with an expansive vertical range that easily adjusts to the ergonomic needs of the broadest range of users. The lightweight design makes it easy to move wherever your work takes you around the healthcare facility.

CareFit Slim 2.0 LCD Medical Carts offer a pull-out keyboard and large worksurface to support large all-in-one computers and monitors, with no-drawer and one-drawer models available.

- 1 Designed for lean IT configurations, including micro PC + LCD or AIO 21–27" weighing up to 20 lbs (9.1 kg)
- 2 Telescopic lift provides an additional 5" (13 cm) of monitor height adjustment
- 3 Spacious worksurface is 20.7" x 14.3" (52.5 x 36.3 cm)
- 4 Slide-out keyboard tray and pull-out mouse tray (left or right side) hides under the keyboard tray when not in use
- 5 Offers easy height adjustability with the pull of a lift handle
- 6 Accessory shelf for printer or scanner on left; sani-wipes holder on right
- 7 Lift engine offers an expansive vertical range of 29.25–46.75" (74–119 cm)
- 8 Easily add a hot-swap power system
- 9 Compact cast aluminum base with durable finish; includes three-function 4" (10.2 cm) casters

CareFit Slim Laptop Carts fit laptops and two-in-ones. A pull-out cable storage tray keeps cords out of sight, and a slide-out power brick holder offers easy access to power options.

- 1 CareFit Slim Laptop Security Bracket keeps your laptop from sliding, while helping protect important equipment
- 2 Integrated storage area and pull-out cable storage tray with quick connect hardware
- 3 Worksurface is 21" x 13.9" (53.3 x 35.3 cm)
- 4 Triple-stage lift engine offers an expansive vertical range of 24.5–49.1" (61.4–124.7 cm)
- 5 Super-compact cast aluminum base with durable finish; includes three-function 4" (10.2 cm) casters

CareFit Slim 2.0 LCD Cart

LiFeKinnex™

POWER LIFE-CHANGING CARE

- Safe battery chemistry
- Longer battery cycle life
- Quick charging time
- Easy to connect
- Simple attachment system

Alleviate power anxiety on medical carts with this innovative battery system designed to support multiple workflows, including hot swap or on-cart charging. The three-part system—battery, smart battery dock and optional external four-bay charger—minimizes downtime by monitoring battery run-time with an LCD screen and using the unique magnetic connection feature for an easy swapping process.

Power Output	AC
Battery Type	Lithium-Iron Phosphate (LiFe)
Battery Capacity	245Wh
Charge Time	1.75 hours
Run Time	5–8 hours (typical load)
Battery Weight	6.7 lbs (3 kg)

eKinnex™

CLOUD-BASED FLEET MANAGEMENT FOR MEDICAL CARTS

- Secure, web-based software application that monitors and manages your fleet of CareFit and StyleView carts
- Seamless and centralized fleet management provides comprehensive cart data to significantly reduce or eliminate cart downtime
- Monitoring helps improve battery life expectancy
- Provides real-time insight into usage patterns, drawer access, battery charge/life and more
- Software operates separately from patient records to reduce concerns with HIPPA compliance
- Easy to get, fast to implement

LiFeKinnex 4-Bay Charger (Desktop)

CAREFIT™ *Low Profile Wall Enclosure*

Space is in high-demand in healthcare environments. With the CareFit Enclosure, you have more room to provide the best patient care. The wall-mount workstation lets caregivers work comfortably sitting or standing in crowded patient rooms or hallways.

- The low-profile design stays close to the wall and folds when not in use to open up more space
- Lock code with up to 10 digits keeps patient data and technology secure
- Interchangeable laminate options let you customize the look to design stylish, healing spaces for your organization

Enclosure available in black or white with six woodgrain laminate options

Patented PowerShuttle technology:

Supports safe and fast charging for tablets and laptops

Continuous monitoring keeps circuit limits in check

In-rush protection helps avoid power spikes

Measured processing manages the current to devices

In a test, our charging cart with PowerShuttle Technology charged up to 40% faster than our competitor's round robin charging cart

CHARGEFIT

Our professional-grade ChargeFit designs combine durable construction with extensive testing to help keep students, staff and devices safe.

Inspire tomorrow's engineers and inventors with the versatile Adjusta Cart. This innovative cart works with a makerspace kit, MXV monitor arm, whiteboard or pegboard shelf accessories for STEM lesson plans. It also serves as a teacher desk, podium, charging cart, storage and hub for TVs and interactive displays.

LEARNFIT™

Our LearnFit family of height-adjustable, mobile desks allows students, teachers and colleagues to break free from constraints that hinder creativity and success, so they can thrive as they learn and work. These kinetic environments drive collaboration across the entire school to support 21st century learning.

From supporting greater focus to building flexible classroom spaces to contributing to positive academic performance, LearnFit creates personalized learning experiences that set the foundation for a lifetime of well-being.

LearnFit Sit-Stand Desk

Transform classrooms, conference rooms or common areas into active spaces with flexible seating using the LearnFit mobile desk.
